K-6 Assembly Yalingen Allawah Hall 9:30am

Sunday is Mother's Day
To all our mums, step mums, foster mums, grandmas and nanas – enjoy your special day!

CALENDAR DATES for YOUR DIARY

NAPLAN – a Skills Snapshot

If your child is in Year 3, 5, 7, or 9, they’ll sit NAPLAN tests on May 14-16. And despite what you may have heard there’s no need to panic or start an intensive study program with your child. Find out more: http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/all-about-naplan

Years 3 and 5 students are invited to attend breakfast on the three days of NAPLAN next week at 8:30am in the Old Hall.

Good luck to our students. Please ensure your child is early to bed and has had a hearty breakfast during the week.

P&C Meeting
Tuesday 14 May at 9.15
Meeting will be held in the Admin block. Come along to hear all the great things the P&C are doing to assist the school.

Loom Bands
We are happy for students to make loom bands during the breaks but students are not to wear them as they are not part of the uniform.

Get the Maths on Risk-taking
Kids can't cram maths, especially concepts half understood; the foundations must first be in place. Listen to broadcaster and maths fan

Be a learner, be respectful, be safe

Stewart House Day

For your chance to win a $4,000 FAMILY HOLIDAY please enclose a donation of at least $2 in the Stewart House envelope provided last term and return to the school’s front office by TOMORROW, 9 May 2014.

Nutrition Snippet

The simplest way
...to manage fussy eating

Kids can get anxious when trying a new fruit or veg, so try providing a smaller serving for the first few times.

This approach is less overwhelming and you might find that they will ask you for more.

Did you know it may take more than 10 times before your child accepts a new food?

Give your kids two options that you’re happy with. Rather than saying “Would you like any vegetables?” offer a limited choice, for example “Would you like peas or beans?”

Stay calm + persistent in your approach!
