Students at HPS will return to school in Term 3 on Tuesday 15 July. Teachers will be at school on Monday 14 July for a staff development day. They will be doing Emergency Care and other curriculum based learning.

Safe People, Safe Places
From time to time we need to remind our students about ‘stranger danger’. Please discuss safe people and places with your children at home, to remind them of the importance of travelling safely to and from school.

- Make sure your parents know where you are at all times.
- Always walk straight home or to the place you are walking to. Walk near busier roads or paths where there a lots of other people.
- Know where safe places are - shops, service station, police station, school. If you are ever frightened, go to one of these place and ask them to call the police.
- Safe adults you can look for and talk to if needed - police officers, teachers at school, adults you know and trust.
- Don't talk to people you don't know and never get into a car with a stranger. If a car stops on the side of the road and you don't know the person inside, do not stop.

Three way interviews with parents or carers, students and teachers will take place from Monday 23 June. Student reports will be given to families at the interviews.

Please ensure that you make the time to discuss your child’s progress with the teachers.
