Education Week provides schools with the opportunity to include parents, carers and the local community in celebrations of public education. Our students are participating in a school lantern design competition creating lanterns around the themes of English, Mathematics, Creative Arts and PHHPE. There will be prizes for the best entries in each grade K-6. Winners will be announced at the K-6 Assembly at the end of the week.

On Tuesday 29 July the Senior Dance Group; the Senior Choir Group; and the Junior Choir will perform at Westfields Mt Druitt at 10:40am. The Senior Dance Group will also perform at the Public Education Concert at Rooty Hill RSL on Friday 1 August.

Open Classrooms will operate from 2pm-3pm on Thursday 1 August after sharing a picnic lunch with parents and carers at 1:30pm. Also Stage 3 will be holding a Cake Stall to raise money for the school.

The K-6 Assembly will be held on Friday 1 August in Yalingen Allawah Hall. Pride Pins will be presented at this assembly.

We look forward to seeing you at some or all of our events next week.

When you visit the school

I.D. REQUIRED

All visitors to the school including parents and carers, tradesmen, education consultants etc. must sign in at the front office and pick up a school ID badge before moving to other areas of the school site.

The exception to this rule occurs on the days when parents and carers attend assemblies or other school events to which they have been invited.

If you need to visit the school to leave food, clothing or a message for your child or children – you must always go first to the school’s front office located near the main entrance in Andover Crescent. The front office staff will provide excellent support and advice.

Nutrition Snippet

The simplest way
…to increase your fruit and veg intake

Myth: Frozen and canned fruit and vegetables don’t count towards your daily intake of fruit and vegetables.

Fact:
- Frozen or canned fruit and vegetables are great alternatives when fresh varieties are out of season, unavailable or more expensive.
- Frozen and canned vegetables are usually packed shortly after picking, so there is little nutrient loss.
- Varieties with no added sugar or salt are the best choice (look for tinned fruit in natural juice rather than syrup and tinned vegetables with no added salt.)
