One of our rules under the Pride Guide is BE RESPECTFUL. Unfortunately in the past few weeks some of our parents haven’t been respectful to each other. This impacts on the students, the teachers and other parents in the school.

PLEASE be respectful to each other and use appropriate language when in school grounds.

If this behaviour continues the school will need to take further action.

We are the role models for the children & need to lead by example!

CAR ENTRY into
SCHOOL GROUNDS

The car park is for staff only or for drivers with disabled permits including the special transport operators.

Some parents and carers continue to drive into the car park in the morning and afternoon to drop off or pick up their children. They are risking injury to other students as well as causing traffic chaos. Please stop this practice immediately and follow the school rules. Be safe and be respectful!
