REMEmBRANCE DAY

Remembrance Day marks the 11th hour of the 11th day of the 11th month that resulted in the Armistice at the end of World War 1.

Our simple ceremony is held each year with the children placing red paper poppies around the flag pole before the ceremony.

Next Wednesday 11 November at 10:45am we commemorate Remembrance Day near the school’s central flagpole with K-6 classes attending. Parents and carers are invited to attend this annual remembrance service.

P&C MEETING
TUESDAY 10 NOVEMBER

All parents and carers are most welcome to come to the second last P & C meeting for the year. The meeting will be held in the Den in the Admin building at 5:00pm. Come along and have a cuppa with the friendly parents who make up the P&C. You would be made most welcome.

Phone Messages for Your Children

Please make arrangements with your children before school each day about their after school care.

Some parents are making a habit of ringing more than once a week to advise that their children need to be given a special message about transport.
arrangements or who will be picking them up in the afternoon.

Students like to feel secure and safe at school and that includes knowing how they are meant to go home in the afternoons. It is not convenient to interrupt lessons or call children out of their classes on a regular basis.

Emergency situations are different and occur rarely. These urgent parent requests are acted on immediately by the school staff.

**Sydney Dance Sport Championships**

PARENT COOKING CLASS

Last week we made a delicious Thai style chicken loaf and salad. We had lovely conversation and lots of fun.

Our next parent cooking class takes place on Monday 9 November in the SAKG kitchen. We will begin at 4pm. It will be approximately 1 hour in length.

You will have an exciting dish to take home. It’s free and a good chance to get to know other parents.

If interested please see Mrs Murphy or call the front office ASAP.

Be a learner, be respectful, be safe

Important Information for Parents and Students
The Department recognises that some families will be subject to family breakdown. In the absence of any notification to the contrary, it will be assumed that both parents retain a shared and equal parental responsibility for their children and have been involved in making any decisions regarding their children’s education. This means that the school will recognise that each parent has equal duties, obligations, responsibilities and opportunities in relation to matters involving the school.

If any changes occur in your family relationships which have the potential to impact on the relationship between the school and your family, you are required to advise the school immediately. This includes providing copies of any court orders that may be obtained.
