Attendance at School

The Education Act (1990) requires parents to ensure that children of compulsory school age attend school on each day that the school is open for instruction. If children are absent from school, parents are required to provide the school with an acceptable explanation within seven days of the absence.

Reminder notes are automatically generated from the school’s data system to parents and carers about unexplained absences. You are kindly requested to return the slip to the school so that the roll can be updated with a reason for your child’s absence. Exemptions for attendance due to travel overseas or extended medical issues can be applied for from the school’s office in person or by phone request.

Did you know that if a student misses as little as eight days in a school term, by the end of primary school they will have missed over a year of education? It is crucial that students attend school every day unless they are sick.

I am obliged to report apparent unresolved non-compliance with the Education Act (1990) to the local manager of the region’s Home School Liaison Program.

Car Parking in School Grounds

Please be aware that car park spaces within school grounds are restricted to school staff and administration personnel. There are allocated disabled parking spaces available in the front school car park for special transport buses and parents who hold a disabled parking permit. For the safety of our students and staff please refrain from using the back car space for picking up students. This area is for teaching staff only. If you are dropping off or picking up your child and you hold a current disabled parking permit you must use the available spaces in the front school car park. Please ensure you use these spaces in a timely manner as we have a number of parents and carers who require access to these reserved spaces. Special transport buses will occupy the disabled car park spaces from 8:00 – 8:45 am and 2:30 – 2:40 pm for our support students. Please use street parking if these spaces are unavailable.

If you have any questions regarding this matter please contact the school.
